SUMMARY

Experienced Senior Quality Control Inspector with over 7 years in the manufacturing industry. Proven track record of implementing quality assurance methodologies that enhance product reliability and reduce defects by up to 30%. Strong analytical skills combined with a commitment to continuous improvement and team collaboration.

EXPERIENCE

Senior Quality Control Inspector

Jan 2022 - Present

Precision Manufacturing Co., Atlanta, GA

- Reduced product defects by 25% through the implementation of new inspection protocols and employee training programs.
- Led a cross-functional team in a project that improved the efficiency of the quality audit process, saving the company \$50,000 annually.
- Utilized Six Sigma methodologies to analyze production data, resulting in a 15% increase in overall quality ratings.

Quality Control Inspector

Jun 2018 - Dec 2021

ABC Electronics, Decatur, GA

- Conducted inspections on over 10,000 units per month with a 98% accuracy rate in detecting defects.
- Collaborated with engineering teams to resolve quality issues, leading to a 20% reduction in return rates.
- Developed and documented standard operating procedures (SOPs) for inspection processes, improving compliance by 40%.

Quality Assurance Technician

May 2016 - May 2018

XYZ Manufacturing, Atlanta, GA

- Performed extensive testing on raw materials and finished products, ensuring compliance with industry standards.
- Assisted in the implementation of a new quality management system that improved traceability and reporting.
- Trained new staff on quality standards and inspection techniques, enhancing team performance.
