SUMMARY

Dedicated Senior Level Radiologic Technologist with over 7 years of experience in diagnostic imaging and radiation safety. Proven track record of improving processes and enhancing patient care through innovative imaging techniques and leadership.

EXPERIENCE

Senior Radiologic Technologist

Jan 2022 - Present

HealthFirst Imaging Center, Los Angeles, CA

- Implemented a new MRI protocol, reducing scan times by 20%, which increased patient throughput by 30%.
- Trained and mentored 10 junior technologists, enhancing team productivity and efficiency.
- Utilized advanced imaging software to improve diagnostic accuracy, leading to a 15% decrease in follow-up procedures.

Radiologic Technologist II

May 2018 - Dec 2021

Sunnydale Medical Center, San Diego, CA

- Performed a wide range of imaging procedures, achieving a patient satisfaction score of 95%.
- Led a quality assurance initiative that reduced equipment downtime by 25%, saving the facility \$50,000 annually.
- Collaborated with physicians to develop tailored imaging protocols for complex cases.

Radiologic Technologist I

Jun 2016 - Apr 2018

Metro Health System, San Francisco, CA

- Achieved a radiation dose reduction of 30% through the adoption of state-of-the-art digital imaging technologies.
- Assisted in the implementation of a new PACS system, improving image retrieval times by 40%.
- Maintained compliance with state and federal regulations, ensuring safe imaging practices.

EDUCATION

Bachelor of Science in Radiologic Technology

May 2018

University of Southern California, Los Angeles, CA • GPA: 3.7

SKILLS

Technical Skills: MRI, CT Scanning, Digital Radiography, Ultrasound

Tools & Frameworks: PACS, RIS, DICOM
