SUMMARY

Experienced Senior Sheet Metal Worker with over 10 years in the industry, specializing in precision fabrication and installation. Proven track record of improving operational efficiency and reducing costs through innovative solutions and expert craftsmanship.

EXPERIENCE

Senior Sheet Metal Worker

Jan 2022 - Present

Precision Metal Fabricators, Springfield, IL

- Led a team in the fabrication of custom metal components, resulting in a 30% reduction in production time.
- Implemented a new quality control process that decreased material waste by 25%, saving the company \$50,000 annually.
- Trained junior workers in advanced welding techniques, improving team output by 15%.

Sheet Metal Worker

Jun 2016 - Dec 2021

Reliable HVAC Solutions, Springfield, IL

- Executed high-stakes HVAC installations with a focus on energy efficiency, contributing to a 20% increase in customer satisfaction ratings.
- Designed and fabricated ductwork systems that improved airflow efficiency, saving clients an average of \$1,200 in energy costs annually.
- Collaborated with engineers to optimize design specifications, resulting in the successful completion of projects ahead of schedule.

Apprentice Sheet Metal Worker

Mar 2014 - May 2016

Citywide Construction, Springfield, IL

- Assisted in the installation of metal roofing systems, ensuring compliance with safety and building codes.
- Gained proficiency in operating CNC machines and hand tools, enhancing fabrication accuracy by 15%.
- Participated in team projects that consistently met deadlines, contributing to a 10% increase in overall team performance.

EDUCATION

Bachelor of Science in Mechanical Engineering

May 2018

Springfield University, Springfield, IL • GPA: 3.7

SKILLS

Technical Skills: Sheet Metal Fabrication, Welding Techniques, Blueprint Reading, HVAC Systems Design

Tools & Frameworks: CNC Machines, Laser Cutters, Press Brakes
