SUMMARY

Highly skilled Senior Solar Installer with over 8 years of experience in residential and commercial solar installations. Proven track record of leading installation teams to achieve efficiency and excellence, resulting in a 30% reduction in installation time and increased client satisfaction.

EXPERIENCE

Senior Solar Installer

Jan 2022 - Present

SolarTech Innovations, Phoenix, AZ

- Led a team of 10 installers, completing over 200 residential solar installations in 2022, resulting in a 25% increase in annual revenue.
- Implemented new installation procedures that improved average project completion time by 30%, enhancing overall efficiency.
- Expertly trained junior installers on safety protocols and installation techniques, reducing on-site incidents by 40%.

Solar Installer

Jun 2018 - Dec 2021

Green Energy Solutions, Tempe, AZ

- Contributed to solar projects totaling over \$5 million in value, consistently meeting project deadlines and exceeding client expectations.
- Utilized advanced solar design software to create optimized solar layouts, resulting in a 15% increase in energy production.
- Maintained a customer satisfaction rating of 95% through effective communication and follow-up during the installation process.

Solar Technician

May 2015 - May 2018

EcoSun Energy, Scottsdale, AZ

- Assisted in the successful installation of over 150 solar arrays, ensuring compliance with all safety and building regulations.
- Conducted comprehensive site assessments and system evaluations, leading to a 20% increase in project feasibility rates.
- Enhanced troubleshooting processes, reducing system failures by 35% through effective diagnostics and repairs.

EDUCATION

Bachelor of Science in Renewable Energy Technology

May 2018

Arizona State University, Tempe, AZ • GPA: 3.7

SKILLS

Technical Skills: Solar PV System Design, Electrical Wiring, Project Management, Troubleshooting

Tools & Frameworks: AutoCAD, PVsyst, SolarEdge Monitoring, SMA Inverters
