SUMMARY

Results-driven Senior Solutions Architect with over 8 years of experience in designing and implementing scalable cloud solutions. Proven track record of leading cross-functional teams to deliver high-impact projects that enhance operational efficiency and drive business growth.

EXPERIENCE

Senior Solutions Architect

Jan 2022 - Present

Tech Innovations Corp, San Francisco, CA

- Led the architecture design for a cloud migration project, resulting in a 30% reduction in operational costs and 99.9% uptime.
- Implemented microservices architecture that improved deployment speed by 40% and enhanced system scalability.
- Collaborated with stakeholders to create a new API strategy, increasing integration capabilities and enabling real-time data exchange.

Solutions Architect

Jun 2018 - Dec 2021

Innovatech Solutions, Los Angeles, CA

- Designed and deployed a critical system that handled 1M+ transactions per day, improving processing speed by 50%.
- Managed a team of developers in the creation of a data analytics platform, achieving a 25% increase in client satisfaction ratings.
- Utilized AWS services including EC2, Lambda, and RDS to enhance overall system performance and reliability.

Junior Solutions Architect

May 2015 - May 2018

Solution Architects Inc., Seattle, WA

- Assisted in the development of a custom CRM system that improved client retention rates by 20%.
- Participated in the full software development lifecycle (SDLC) using Agile methodologies, ensuring timely project delivery.
- Contributed to system integration projects that reduced data redundancy by 35% across multiple platforms.

EDUCATION

Bachelor of Science in Computer Science

May 2018

University of California, Berkeley, Berkeley, CA • GPA: 3.7

SKILLS

Technical Skills: Cloud Architecture, Microservices, API Development, Data Analytics

Tools & Frameworks: AWS, Docker, Kubernetes, Jenkins
