SUMMARY

Detail-oriented and skilled Sheet Metal Worker with over 6 years of experience in fabricating, installing, and repairing sheet metal products. Proven track record of increasing efficiency and reducing waste through innovative techniques and meticulous attention to detail.

EXPERIENCE

Sheet Metal Worker

Jan 2022 - Present

ABC Metal Fabrication, Seattle, WA

- Increased production efficiency by 20% by implementing a new inventory tracking system.
- Reduced material waste by 15% through optimized cutting techniques and better planning.
- Trained 5 apprentices in safe and effective sheet metal practices, improving team performance.

Fabrication Technician

Jun 2018 - Dec 2021

XYZ Manufacturing, Tacoma, WA

- Achieved a 30% reduction in project turnaround time through streamlined workflow processes.
- Developed a quality control protocol that decreased errors by 25%, improving overall product quality.
- Utilized CAD software to create precise blueprints, enhancing the accuracy of fabrication.

Apprentice Sheet Metal Worker

May 2015 - May 2018

LMN Contracting, Everett, WA

- Assisted in the installation of HVAC systems in commercial buildings, improving energy efficiency by 10%.
- Participated in over 50 projects, learning fabrication techniques and safety protocols.
- Contributed to a team that completed projects 15% under budget, saving the company \$25,000.

EDUCATION

Bachelor of Science in Mechanical Engineering

May 2018

University of Washington, Seattle, WA • GPA: 3.7

SKILLS

Technical Skills: Metal Fabrication, Welding, Blueprint Reading, HVAC Systems

Tools & Frameworks: CNC Machines, Laser Cutters, Sheet Metal Benders
