SUMMARY

Dedicated Solar Panel Installer with over 5 years of experience in the renewable energy sector. Proven track record of efficiently installing solar systems while ensuring compliance with safety regulations, resulting in a 30% reduction in installation time.

EXPERIENCE

Solar Panel Installer

Jan 2022 - Present

Green Energy Solutions, Phoenix, AZ

- Successfully installed over 150 residential solar panel systems, increasing company revenue by \$500,000 annually.
- Implemented a new system for inventory tracking that improved material procurement efficiency by 25%.
- Conducted site assessments and provided clients with detailed proposals, resulting in a 40% increase in customer satisfaction ratings.

Solar Technician

Mar 2019 - Dec 2021

Sunrise Solar LLC, Tempe, AZ

- Led a team of 5 installers to complete solar projects under budget and ahead of schedule by an average of 15%.
- Trained new employees in installation best practices, improving overall team productivity by 20%.
- Utilized AutoCAD for designing solar layouts, ensuring optimal energy capture and system performance.

Solar Apprentice

Jun 2017 - Feb 2019

EcoSun Installations, Mesa, AZ

- Assisted in the installation of over 75 solar panel systems across various residential properties.
- Developed troubleshooting skills through hands-on experience with inverter and electrical connections.
- Maintained a safe work environment by adhering to OSHA regulations, contributing to zero workplace accidents.

EDUCATION

Bachelor of Science in Renewable Energy Engineering

May 2018

Arizona State University, Tempe, AZ • GPA: 3.7

SKILLS

Technical Skills: Solar System Installation, Electrical Wiring, Site Assessment, Troubleshooting

Tools & Frameworks: AutoCAD, PVsyst, Multimeter, OSHA Safety Procedures
