## SUMMARY

---

Detail-oriented Visual Merchandiser with over 5 years of experience in retail environments, adept at creating visually compelling displays that enhance customer experience and drive sales. Proven track record of increasing sales by up to 30% through strategic merchandise placement and innovative design.

## EXPERIENCE

---

### Visual Merchandiser

Jan 2022 - Present

*Trendsetter Retail Co., San Francisco, CA*

- Increased overall store sales by 25% within the first year by revamping visual displays and merchandising strategies.
- Collaborated with marketing teams to design seasonal displays, resulting in a 40% boost in foot traffic during promotional events.
- Utilized Adobe Creative Suite and SketchUp for designing and planning layouts that optimize customer flow.

### Assistant Visual Merchandiser

Jun 2019 - Dec 2021

*Style & Co., Los Angeles, CA*

- Supported the lead merchandiser in creating themed displays that increased product visibility, contributing to a 15% rise in sales.
- Conducted regular market research to identify trends, which informed display strategies leading to a 10% reduction in inventory turnover time.
- Maintained visual merchandising standards across multiple store locations, ensuring consistency and quality.

### Retail Associate

May 2018 - May 2019

*Fashion Hub, San Diego, CA*

- Assisted in merchandising store layout, which improved customer engagement and increased average transaction value by 20%.
- Participated in weekly inventory audits and visual resets, ensuring compliance with brand guidelines.
- Trained new staff on visual merchandising standards and best practices.

## EDUCATION

---

### Bachelor of Science in Fashion Merchandising

May 2018

*California State University, Long Beach, Long Beach, CA • GPA: 3.7*
