SUMMARY

Dedicated Wind Turbine Technician with over 5 years of experience in installation, maintenance, and troubleshooting of wind turbine systems. Proven ability to enhance operational efficiency and safety while reducing costs through effective technical solutions.

EXPERIENCE

Wind Turbine Technician

Jan 2022 - Present

Green Energy Solutions, San Diego, CA

- Led a team to complete turbine inspections that reduced downtime by 20%, saving the company over \$50,000 annually.
- Implemented a predictive maintenance program that improved equipment reliability by 30%.
- Trained 5 new technicians on safety protocols and repair techniques, enhancing team productivity.

Wind Turbine Maintenance Technician

Mar 2019 - Dec 2021

Renewable Power Corp, Los Angeles, CA

- Performed troubleshooting and repairs on turbine systems, achieving a 95% first-time fix rate.
- Assisted in the installation of new wind turbines, contributing to a 10% increase in energy production capacity.
- Collaborated with engineering teams to develop and implement safety improvements, resulting in zero accidents over a 2-year period.

Electrical Technician Intern

Jun 2017 - Feb 2019

WindTech Innovations, Santa Monica, CA

- Supported senior technicians in the installation and maintenance of wind turbine electrical systems.
- Conducted routine inspections, identifying issues that could have resulted in significant operational disruptions.
- Participated in a project that reduced service response time by 15% through improved scheduling.

EDUCATION

Bachelor of Science in Renewable Energy Engineering

May 2018

University of California, San Diego, La Jolla, CA • GPA: 3.7

SKILLS

Technical Skills: Wind Turbine Maintenance, Electrical Systems Troubleshooting, Safety Compliance, Data Analysis

Tools & Frameworks: SCADA Systems, Multimeters, Torque Wrenches
